Malö Yachts 42

“SOFIA” **£168,000.00 UKVAT PAID**

The Malö 42 is a superbly capable offshore and ocean cruiser – one of the very best - and in this layout offers three separate sleeping cabins, two heads, a separate shower, large saloon and galley. SOFIA is ready for blue water adventures, fully equipped with generator, water-maker, heating, washing machine and cruising chute. This Malo 42 has been very carefully maintained with comprehensively documented service records including refits in 2013 and 2019/20. Shallow keel version. With many recent upgrades she is ready to sail and has just had all new stainless steel standing rigging earlier this year and new Coppercoat last summer. Viewing by appointment, please call us.
