“SEA OTTER”

£260,000 VAT paid

Built by Malö Yachts AB, Kungsviken, Sweden in 2000

Sea Otter is an immaculate Malo 45, lightly used and professionally maintained. The Malo 45 is arguably the best boat for offshore cruising, with its seaworthy hull, accommodation space and very generous storage facilities. Yachting Journalist Nigel Calder advises on which boat to choose for long-term, long-distance cruising and his own boat is a Malo 45. He claims she has the best cruising cockpit available.
