Description

A lovely example of this popular family cruising yacht from Jeanneau. Very lightly used and well maintained, Endeavour is presented in excellent condition, recently launched from a period ashore for polishing, antifoul and anodes. Very much ready for the season ahead. From new until 2021 Endeavour was berthed on Lake Windermere and since then in Poole, in both locations only day sailed and very locally. The Sun Odyssey 36i is a superb family yacht with spacious cockpit, 2 large sleeping cabins, separate shower, an excellent galley and huge storage spaces.

Specification highlights include: shallow keel version, heating, chart plotter, autopilot, furling mainsail (2020), furling Genoa (2022) and the possibility to take over her current berth. Please call for details, we know this boat very well.
